Log Files

Follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookies and Web Beacons

Like any other website, this website uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

Facebook / Google Remarketing

Third parties, including Facebook & Google, may use cookies, web beacons, and other storage technologies to collect or receive information

from our website and elsewhere on the internet, and use that information to provide measurement services and target ads. With Facebook & Google remarketing you may see our ads on Facebook or on Google channels after you have visited our site. For this to happen, Facebook & Google use a Custom Audience Pixel that is activated when a visitor lands on a webpage and a unique “cookie” is placed in their browser. Facebook lookalike audience targeting allows us to show ads on Facebook to people who are similar to those who have already visited or made a purchase from our website.

To opt out of Facebook’s collection and use of information for ad targeting visit:
